SOUTHERN DISTRICT OF FLORIDA**

CASE NO.

RENZO BARBERI,

Plaintiff,

vs.

DISCOUNT TIRE AND AUTO SERVICE
INC., a Florida Profit Corporation and J. C.
HOLDING CORP., a Florida Profit
Corporation,

Defendants.

_____ /

COMPLAINT

Plaintiff, RENZO BARBERI (hereinafter "Plaintiff"), through the undersigned counsel, hereby files this complaint and sues DISCOUNT TIRE AND AUTO SERVICE INC. ("TIRE AND AUTO SERVICE") and J. C. HOLDING CORP. ("J. C.") (hereinafter, collectively referred to as "Defendants") for declaratory and injunctive relief; for discrimination based on disability; and for the resultant attorney's fees, expenses, and costs (including, but not limited to, court costs and expert fees), pursuant to 42 U.S.C. §12181 et. seq., ("AMERICANS WITH DISABILITIES ACT OF 1990," or "ADA") and alleges:

JURISDICTION

1. This Court is vested with original jurisdiction over this action pursuant to 28 U.S.C. §1331 and §1343 for Plaintiff's claims arising under Title 42 U.S.C. §12181 et. seq., based on Defendants' violations of Title III of the Americans with Disabilities Act of 1990, (hereinafter referred to as the "ADA"). See also 28 U.S.C. §2201 and §2202.

VENUE

2. The venue of all events giving rise to this lawsuit is located in Miami-Dade County, Florida. Pursuant to 28 U.S.C. §1391(B) and rule 3.1 of Local Rules of the United States District Court for the Southern District of Florida, this is the designated court for this suit.

PARTIES

3. Plaintiff, RENZO BARBERI, is a resident of the State of Florida. At the time of Plaintiff's visit to Discount Tire & Auto Service ("Subject Facility"), Plaintiff suffered from a "qualified disability" under the ADA, and required the use of a wheelchair for mobility. Specifically, Plaintiff suffers from paraplegia due to a severed T4 and T5, and is therefore confined to his wheelchair. Plaintiff personally visited Discount Tire & Auto Service, but was denied full and equal access, and full and equal enjoyment of the facilities, services, goods, and amenities within Discount Tire & Auto Service, which is the subject of this lawsuit. The Subject Facility is an auto repair, and Plaintiff wanted to inquire about their services but was unable to due to the discriminatory barriers enumerated in Paragraph 15 of this Complaint.

4. In the alternative, Plaintiff, RENZO BARBERI, is an advocate of the rights of similarly situated disabled persons and is a "tester" for the purpose of asserting his civil rights and monitoring, ensuring, and determining whether places of public accommodation are in compliance with the ADA.

5. Defendants, TIRE AND AUTO SERVICE and J. C., are authorized to conduct business and are in fact conducting business within the State of Florida. The Subject Facility is located at

13710 SW 8th St, Miami, FL 33184. Upon information and belief, TIRE AND AUTO SERVICE is the lessee and/or operator of the Real Property and therefore held accountable of the violations of the ADA in the Subject Facility which is the matter of this suit. Upon information and belief, J. C. is the owner and lessor of the Real Property where the Subject Facility is located and therefore held accountable for the violations of the ADA in the Subject Facility which is the matter of this suit.

CLAIMS: VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT

6. Plaintiff adopts and re-alleges the allegations stated in paragraphs 1 through 5 of this complaint, as are further explained herein.

7. On July 26, 1990, Congress enacted the Americans with Disabilities Act ("ADA"), 42 U.S.C. §12101 et. seq. Commercial enterprises were provided one and a half years from enactment of the statute to implement its requirements. The effective date of Title III of the ADA was January 26, 1992, or January 26, 1993 if Defendants had ten (10) or fewer employees and gross receipts of \$500,000 or less. See 42 U.S.C. §12181; 28 C.F.R. §36.508(a).

8. As stated in 42 U.S.C. §12101(a) (1)-(3), (5) and (9), Congress found, among other things, that:

- i. some 43,000,000 Americans have one or more physical or mental disability, and this number shall increase as the population continues to grow and age;
- ii. historically, society has tended to isolate and segregate individuals with disabilities and, despite some improvements, such forms of discrimination against disabled individuals continue to be a pervasive social problem, requiring serious attention;

- iii. discrimination against disabled individuals persists in such critical areas as employment, housing, public accommodations, transportation, communication, recreation, institutionalization, health services, voting and access to public services and public facilities;
- iv. individuals with disabilities continually suffer forms of discrimination, including: outright intentional exclusion; the discriminatory effects of architectural, transportation, and communication barriers; failure to make modifications to existing facilities and practices; exclusionary qualification standards and criteria; segregation, and regulation to lesser services, programs, benefits, or other opportunities; and,
- v. the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which this country is justifiably famous and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

9. As stated in 42 U.S.C. §12101(b)(1)(2) and (4), Congress explicitly stated that the purpose of the ADA was to:

- i. provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- ii. provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and,
- iii. invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced on a daily basis by people with disabilities.

10. Pursuant to 42 U.S.C. §12181(7), and 28 CFR §36.104, Title III, no individual may be discriminated against on the basis of disability with regards to the full and equal enjoyment of the goods, services, facilities, or accommodations of any place of public accommodation by any person who owns, leases (or leases to), or operates a place of public accommodation. Discount Tire & Auto Service is a place of public accommodation by the fact it is an establishment that provides goods/services to the general public, and therefore, must comply with the ADA. The Subject Facility is open to the public, its operations affect commerce, and it is a service

establishment. See 42 U.S.C. Sec. 12181 (7) and 28 C.F.R. 36.104. Therefore, the Subject Facility is a public accommodation that must comply with the ADA.

11. The Defendants have discriminated, and continue to discriminate against the Plaintiff, and others who are similarly situated, by denying access to, and full and equal enjoyment of goods, services, facilities, privileges, advantages and/or accommodations at Discount Tire & Auto Service located at 13710 SW 8th St, Miami, FL 33184, as prohibited by 42 U.S.C. §12182, and 42 U.S.C. §12101 et. seq.; and by failing to remove architectural barriers pursuant to 42 U.S.C. §12182(b)(2)(A)(iv).

12. Plaintiff has visited the Subject Facility, and has been denied full, safe, and equal access to the facility and therefore suffered an injury in fact.

13. Plaintiff shall suffer a future injury as Plaintiff intends to return and enjoy the goods and/or services at the Subject Facility within the next six months. The Subject Facility is in close proximity to Plaintiff's residence and is in an area frequently travelled by Plaintiff. Furthermore, Plaintiff will also return to monitor compliance with the ADA. However, Plaintiff is precluded from doing so by the Defendants' failure and refusal to provide people with disabilities with full and equal access to their facility. Therefore, Plaintiff continues to suffer from discrimination and injury due to the architectural barriers, which are in violation of the ADA.

14. Pursuant to the mandates of 42 U.S.C. §12134(a), on July 26, 1991, the Department of Justice, Office of the Attorney General, promulgated Federal Regulations to implement the

requirements of the ADA. The ADA Accessibility guidelines (hereinafter referred to as “ADAAG”), 28 C.F.R. Part 36, may cause violators to obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

15. The Defendants are in violation of 42 U.S.C. §12181 et. seq., and 28 C.F.R. 36.302 et. seq., and are discriminating against the Plaintiff with the following specific violations which Plaintiff personally encountered and/or has knowledge of:

- a) The customer parking facility in front of the business does not provide a compliant accessible parking space. 2012 ADA Standards 502.1
- b) The parking facility has fourteen (14) marked standard spaces and two (2) non-compliant accessible parking spaces. 2012 ADA Standards 208.2
- c) The parking facility does not have the minimum number of compliant accessible parking spaces required. One (1) compliant accessible parking space with adjacent access aisle is required. 2012 ADA Standards 208.2
- d) The parking facility does not provide directional and informational signage to a compliant accessible parking space. 2012 ADA Standards 216.5
- e) The non-compliant accessible parking spaces do not have an access aisle. Each designated accessible parking space must have an adjacent access aisle. Parking access aisles must be part of an accessible route to the building or facility entrance. Access aisles must be placed adjacent to accessible parking spaces. All spaces must be located on an accessible route that is at least 44 inches wide so that users are not compelled to walk or wheel behind parked vehicles except behind his or her own vehicle. 2012 ADA Standards 502.2, 502.3

- f) The non-compliant accessible parking space sign is faded and unreadable. Each accessible parking space must be posted with a permanent above-grade sign of a color and design approved by the Department of Transportation, which is placed on or at least 60 inches above the finished floor or ground surface measured to the bottom of the sign and which bears the international symbol of accessibility and the caption "PARKING BY ACCESSIBLE PERMIT ONLY" and must indicate the penalty for illegal use of the space. 2012 ADA Standards 502.6
- g) There were vehicles without accessible parking permit or license plates parked in and blocking the accessible parking spaces located in the parking facility. Designated accessible spaces must be designed and marked for the exclusive use of those individuals who have a severe physical disability and have permanent or temporary mobility problems that substantially impair their ability to ambulate and who have been issued either an accessible parking permit or license plate. 2010 ADA Standards 208.3.1, 502.3
- h) Existing facility does not provide a compliant accessible route to the entrance from any site arrival point. 2012 ADA Standards 206.2, 208, 401.1

- j) There is currently no existing accessible route to help persons with disabilities enter the facility or safely maneuver through the parking area. At least one accessible route must be provided within the site from accessible parking spaces and accessible passenger loading zones; public streets and sidewalks; and public transportation stops to the accessible building or facility entrance they serve. 2012 ADA Standards 206.2.1

- k) The customer entrance from the parking lot is non-compliant. Protruding out from the building sidewalk is a non-compliant ramp. Edge protection must be provided on each side of ramp run. 1020 ADA Standards 405.9
- l) The customer entrance door has non-compliant panel-type door hardware. Operable parts must be operable with one hand and not require tight grasping, pinching, or twisting of the wrist. 2012 ADA Standards 309.4
- m) The facility does not provide compliant directional and informational signage to an accessible route which would lead to an accessible entrance. Where not all entrances comply, compliant entrances must be identified by the International Symbol of Accessibility. Directional signs that indicate the location of the nearest compliant entrance must be provided at entrances that do not comply. 2012 ADA Standards 216.6

16. Upon information and belief there are other current violations of the ADA at Discount Tire & Auto Service. Only upon full inspection can all violations be identified. Accordingly, a complete list of violations will require an on-site inspection by Plaintiff's representatives pursuant to Rule 34b of the Federal Rules of Civil Procedure.

17. Upon information and belief, Plaintiff alleges that removal of the discriminatory barriers and violations is readily achievable and technically feasible. To date, the readily achievable barriers and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.

18. Pursuant to the ADA, 42 U.S.C. §12101 et. seq., and 28 C.F.R. §36.304, the Defendants were required to make the establishment a place of public accommodation, accessible to persons with disabilities by January 28, 1992. As of this date the Defendants have failed to comply with this mandate.

19. Plaintiff has been obligated to retain the undersigned counsel for the filing and prosecution of this action. Plaintiff is entitled to have its reasonable attorney's fees, costs and expenses paid by the Defendants, pursuant to 42 U.S.C. §12205.

20. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant Plaintiff injunctive relief, including an Order to alter the subject facilities to make them readily accessible and useable by individuals with disabilities to the extent required by the ADA, closing the Subject Facility until the requisite modifications are completed, entering an Order directed at maintenance and future compliance, and entering an Order for Defendants to make reasonable modifications in policies, practices, or procedures.

24. Unless declared that the Subject Facility owned, operated and/or controlled by the Defendants is in violation of the ADA, Defendants shall continue to discriminate against Plaintiff, and others who are similarly situated, by denying access to, and full and equal enjoyment of goods, services, facilities, privileges, advantages and/or accommodations at the Subject Facility.
